Time is Running Out!

Don't be left behind, register now for the SERA 2003 Conference, to be held at the beautiful Marriott Grand Hotel.

The Conference is coming up, August 17 - 19, 2003 at the Marriott Grand Hotel in Point Clear, Alabama. The conference agenda for SERA 2003 has been designed to provide you with an exciting and informative program intermingled with activities designed to showcase beautiful South Alabama.

We've developed an excellent program for you this year, but we need your participation! SERA 2003 offers excellent opportunities for education and interaction between regulators and industry professionals. We have developed an agenda with technical sessions to include important issues related to insurance regulators and the industry. There will be sessions to discuss property/casualty, life and health matters as well as the Future of Insurance Regulation. We have secured speakers whose expert knowledge will assure that you, as a conference participant, will gain a better understanding of the subjects presented. Other speakers are included for enjoyment and additional entertainment is planned on the gorgeous grounds of the Grand.

A brochure outlining SERA 2003 and a **Registration and Housing Information Form** are also accessible on our web site at www.aldoi.gov. Use the enclosed form, or feel free to download this material, distribute it to fellow employees (or others whom you feel could benefit from this conference), and encourage participation.

Please note that you must reserve your rooms with the hotel by July 17, 2003 in order to be guaranteed the special conference rates being offered by the Grand Hotel. Call The Grand today at (251) 928-9201!
